## MEMO

**TO:** LCPS Licensed Staff Members  
**FROM:** Dawn Meyer, *LEF* Executive Director  
**ON:** March 3, 2008  
**ABOUT:** **Loudoun Education Foundation 2008 Spring Teacher Grant Program**

The *Loudoun Education Foundation* invites LCPS teachers to submit proposals for grants for classroom projects that will be implemented during the 2008 – 2009 school year. *LEF* offers mini-grants of up to \$500 each, as well as special grants of up to \$3,000.

This spring, *LEF* will award \$5,500 in grant money to projects that focus on math, science, engineering, and technology.

Attached is a copy of the *LEF* Spring Grant application and guidelines. Details about the program, including eligibility and award criteria, and the application form can also be found at [www.loudouneeducationfoundation.org](http://www.loudouneeducationfoundation.org)

Completed applications should be directed to the *Loudoun Education Foundation* office in the LCPS Administration Building. The submission deadline is COB, Monday, April 14th. *LEF* will notify all applicants about its decisions mid-May.

If you have any questions about the program or the application process, please contact Dawn Meyer, Executive Director of *LEF*, at [execdirector@loudouneeducationfoundation.org](mailto:execdirector@loudouneeducationfoundation.org).

In 2007 – 2008, the Loudoun Education Foundation awarded grants totaling over \$21,000. Do consider this opportunity as you begin planning for the next school year.
